Dear Sir,

We beg respectfully to enquire of you and thus to have necessary informations and instructions upon the following:-

Sometime a consumer comes and requests us to dis connect his existing service of supply standng in his name or others name (in latter case, with his consent); and to give him in exchange, a fresh supply at his another residence or abode, situated either nearby the old service on the same road; orelsewhere in the town.

In doing so, both the consumer of energy and the power of premises would be the same person. The wattage (quantity) would nearly be the same.

Again in dis-connecting the old existing service, he gives a written binding that in future hewould either not ask for a re-connextion of same; or if hewould ask, the same would then be treated as a new service andwould be given in the usual method of gibing new services after permission being obtained from the Govt.

We therefore would feel obliged ifyou would kindly let us know whether we can do so without obtaining the Govt. permission or otherwise?

Soliciting thefavourof a reply at an early date.,

Yours faithfylly.

Dear Sirs,

In exercise of the powers conferred by Section 6A, clauses (1) (a) and (2) of the Bombay Electricity (Special Powers) Act, 1946, (Bom. 1946) Government is pleased to direct that --

(1) no transfer of power by sale, hire or otherwise should be allowed without the permission of Government,

(2) no change in the purpose for which the power was sanctioned should be allowed without the permission of Government,

(3) no use of power beyond the restricted period of sanctioned of permits should be allowed in any case.

You are hereby authorised to disconnect the supply of power in any case which involves the violation of any of the conditions specified above. You are, however, requested to intimate the Government, such disconnection within 24 hours thereof, with particulars, consumer's name, amount of power, purpose for which sanctioned and detailed reasons for discontinuing the supply.

Yours faithfully

RE:- Transfer of Electric Power and lighting connection etc.,

Dear Sir,

We invite your attention to the fact that it is not clear under the sections of the Bombay Electricity Special Powers Acts, 1946, whether the licensees is authorized to shift the service lines or any consumer to the other places on this request, keeping in view that the installed load at the premises does not very for both lighting and power connections.

Will you please let us know if the liceinsee is allowed to enturtain any application of transfer of connection (whether lighting or power) from one consumer to any other prospective consumer. Is there any necessary necessity of securing the permission of the Government to the above effect.

This may require as our supply company has been controlled under the Bombay Electricity Special Powers Act 1946 by your letter dated 11th, December 1950 respecting us from giving any new connection etc. without the previous sanction of the Government.

In the above direction, the necessary forms if required may be kindly sent. Awaits the favour of an early reply,

Thanking you,
Yours faithfully,

Dear Sir,

Re: Control over electricity.

With reference to your letter No.1932/36/25250-El. (II) dated the 6th inst., directing us not to transfer the power with a copy of the application form, we shall thank you to inform us whether this order governs both the purposes i.e., Lighting and Motive power or only power i.e., power supplied to motor only.

This clarification will guide us in our work.

Subject:- Transfer of electric power.

Dear Sirs,

With reference to your letter No. AM/M/203, dated 25th April 1951, I am directed to state that the orders contained in Government letter No. 1932/36/25250-El.(II) dated the 6th April 1951 are applicable to lighting as well as motive power connections. You are however allowed to change the name of consumers from tenant to the house-owner or vice-versa for facility of billing and payments in case of domestic lighting provided power remains at the same premises.

Yours faithfully,
